

*Keeping the Promise of Diversity*

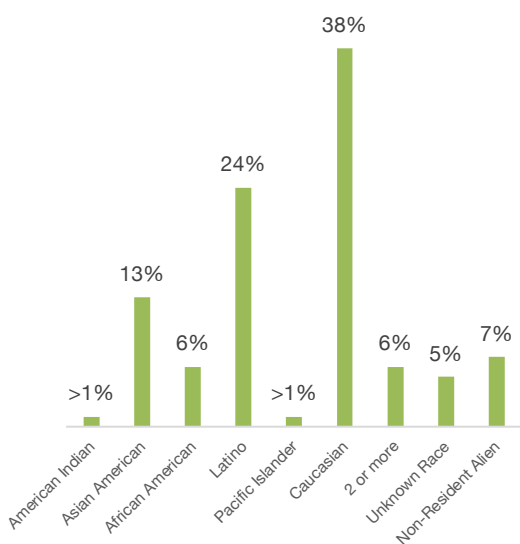

AICCU colleges and universities are committed to making higher education possible for any student with the desire to learn. The diversity of our students reflect this commitment.

In 2016-17, over 60% of AICCU undergraduate students were of an ethnic background other than Caucasian.

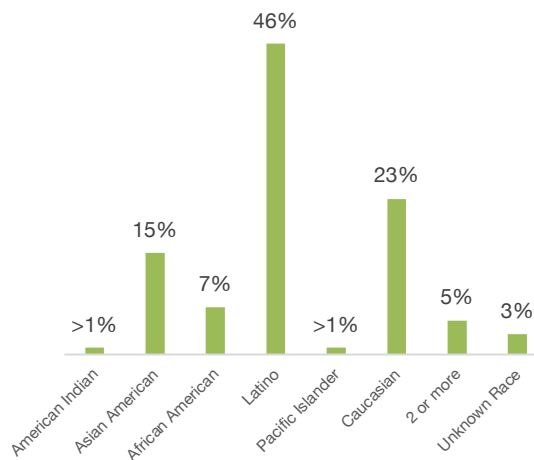

AICCU institutions also demonstrate this commitment to its Cal Grant students.

Over 75% of AICCU Cal Grant students are of an ethnic background other than Caucasian, and 49% of AICCU Cal Grant students are also first-generation college students.
